

LIMITED EDITION: Any one of these fine U.S.A. made knives can be customized to commemorate a special event such as a new product introduction, annual continuity program, or fundraising efforts by local and national organizations. The recipients will always fondly remember that special event through this custom keepsake.

ANNIVERSARY EDITION: This customized product, which recognizes employee service and commitment, will also motivate others to achieve the same high level of performance. Equally important is the recognition of a company's commitment to a community as well as their industry. Any of these knives will be a valued token of appreciation.
