SCHRADE POCKET KNIVES

TRADE **EVERLASTINGLY SHARP** MARK

SCHRADE CUTLERY CO.

WALDEN, N. Y., U. S. A.

POCKET KNIVES EXCLUSIVELY FOR 36 YEARS

WORKS AT WALDEN, N. Y.
Established 1904

WORKS AT MIDDLETOWN, N. Y.
Established 1917

SCHRADE pocket knives are of the highest quality. They are correctly designed, made by experienced cutlers and have a superior finish. All blades are forged from the highest grade, special cutlery steel, heat treated by experts who use modern methods and appliances and each blade is given a uniform and true temper. SCHRADE blades are hand honed and are recognized as possessing perfect cutting edges. All other material used in the manufacture of SCHRADE pocket knives is selected with the greatest care and only the best is used.

INSTRUCTIONS TO OPERATE

SCHRADER SAFETY PUSH BUTTON KNIVES

Important—To open or close—The button must be pressed.

NEVER USE FORCE. Use only one hand.

To Open. Unlock by pulling safety slide away from button, push the
button, and the blade will open and lock in an open position.

To Close. Push the button and hold to release lock, then close blade
with index finger and when it locks move safety slide
toward button as far as it will go. In this condition the
knife is **DOUBLE LOCKED** and cannot open while being
carried in the pocket.
