

The background of the image features a complex, abstract pattern of thin, white, wavy lines on a dark grey background, resembling a topographical map or a stylized wood grain. In the lower right quadrant, there is a diagonal band of the text "TAYLOR BRANDS" repeated multiple times in a bold, red, sans-serif font.

LEGAL INFORMATION CONCERNING ASSISTED OPENING KNIVES

The Switchblade Knife Act of 1958 which is more clearly known as the Federal Switchblade Act, while making illegal the manufacture or sale of switchblades in interstate commerce and banning importation of switchblades, also provides a clear definition of a "switchblade." The 1958 Act defines a "switchblade" as any knife having a blade which opens automatically

(1) by hand pressure applied to a button or other device in the handle of the knife, or

(2) by operation of inertia, gravity, or both.

Because assisted opening knives did not exist in 1958 these knives and how they function were not explicitly described by the original statutory language of the Switchblade Knife Act of 1958. On October 28th 2009 President Obama signed into law legislation amending the Switchblade Knife Act of 1958 to include an exception specifically for assisted opening knives. Assisted opening knives are now classified under Section 1244 Exceptions in the Federal Switchblade Act

(5) a knife that contains a spring, detent, or other mechanism designed to create a bias toward closure of the blade and that requires exertion applied to the blade by hand, wrist or arm to overcome the bias toward closure to assist in opening the knife. This legislation and the newly amended Federal Switchblade Act clarifies once and for all the legality of assisted opening knives.

Federal Switchblade Act

U.S. Code

Chapter 29 – Manufacture, Transportation, or Distribution of Switchblade Knives

Section 1241. Definitions

As used in this chapter -

(a) The term "interstate commerce" means commerce between any State, Territory, possession of the United States, or the District of Columbia, and any place outside thereof.

(b) The term "switchblade knife" means any knife having a blade which opens automatically -

(1) by hand pressure applied to a button or other device in the handle of the knife, or

(2) by operation of inertia, gravity, or both.

Section 1242. Introduction, manufacture for introduction, transportation or distribution in interstate commerce; penalty

Whoever knowingly introduces, or manufactures for introduction, into interstate commerce, or transports or distributes in interstate commerce, any switchblade knife, shall be fined not more than \$2,000 or imprisoned not more than five years, or both.

Section 1243. Manufacture, sale, or possession within specific jurisdictions; penalty

Whoever, within any Territory or possession of the United States, within Indian country (as defined in section 1151 of title 18), or within the special maritime and territorial jurisdiction of the United States (as defined in section 7 of title 18), manufactures, sells, or possesses any switchblade knife, shall be fined not more than \$2,000 or imprisoned not more than five years, or both.

Section 1244. Exceptions

Sections 1242 and 1243 of this title shall not apply to -

(1) any common carrier or contract carrier, with respect to any switchblade knife shipped, transported, or delivered for shipment in interstate commerce in the ordinary course of business;

(2) the manufacture, sale, transportation, distribution, possession, or introduction into interstate commerce, of switchblade knives pursuant to contract with the Armed Forces;

(3) the Armed Forces or any member or employee thereof acting in the performance of his duty;

(4) the possession, and transportation upon his person, of any switchblade knife with a blade three inches or less in length by any individual who has only one arm; or

(5) a knife that contains a spring, detent, or other mechanism designed to create a bias toward closure of the blade and that requires exertion applied to the blade by hand, wrist or arm to overcome the bias toward closure to assist in opening the knife.

Further reference to Switchblades in US Code found at ...

Title 18 – Crimes and Criminal Procedure
Part 1 – Crimes Chapter 83 – Postal Service

Section 1716. Injurious articles as nonmailable

- (g) All knives having a blade which opens automatically
- (1) by hand pressure applied to a button or other device in the handle of the knife, or
 - (2) by operation of inertia, gravity, or both, are nonmailable and shall not be deposited in or carried by the mails or delivered by any officer or employee of the Postal Service.

Such knives may be conveyed in the mails, under such regulations as the Postal Service shall prescribe -

- (1) to civilian or Armed Forces supply or procurement officers and employees of the Federal Government ordering, procuring, or purchasing such knives in connection with the activities of the Federal Government;
- (2) to supply or procurement officers of the National Guard, the Air National Guard, or militia of a State ordering, procuring, or purchasing such knives in connection with the activities of such organizations;

- (3) to supply or procurement officers or employees of any State, or any political subdivision of a State or Territory, ordering, procuring, or purchasing such knives in connection with the activities of such government; and
 - (4) to manufacturers of such knives or bona fide dealers therein in connection with any shipment made pursuant to an order from any person designated in paragraphs (1), (2), and (3). The Postal Service may require, as a condition of conveying any such knife in the mails, that any person proposing to mail such knife explain in writing to the satisfaction of the Postal Service that the mailing of such knife will not be in violation of this section.
- (h) Any advertising, promotional, or sales matter which solicits or induces the mailing of anything declared nonmailable by this section is likewise nonmailable unless such matter contains wrapping or packaging instructions which are in accord with regulations promulgated by the Postal Service.
- (i) (1) Any ballistic knife shall be subject to the same restrictions and penalties provided under subsection (g) for knives described in the first sentence of that subsection.
- (2) As used in this subsection, the term "ballistic knife" means a knife with a detachable blade that is propelled by a spring-operated mechanism.
- (k) For purposes of this section, the term "State" includes a State of the United States, the District of Columbia, and any commonwealth, territory, or possession of the United States.

LOYALTY • DUTY • RESPECT • SELFLESS SERVICE
HONOR • INTEGRITY • PERSONAL COURAGE

Strong in mind, body, and soul. U.S. Army Soldiers protect us and all that the U.S. Constitution stands for. Their ability stems from U.S. Army training – to think, to act, and to live by values and a creed that lets each Soldier feel proud to be part of a team. Learn more about what it means to be a U.S. Army Soldier at www.goarmy.com

WARRANTY

TAYLOR BRANDS LLC LIMITED LIFETIME WARRANTY

This product is warranted to the original consumer purchaser, for as long as he or she owns this product. Coverage ends if you transfer or sell the product to someone else or if the product is modified in any way. The warranty covers defects in materials, manufacture or assembly. If one of our products ever breaks or fails due to material or manufacturing defect we will repair or replace the product.

The warranty does not cover normal wear, damage caused by abuse, misuse, improper handling, loss, accident, alterations, neglect, disassembly or improper sharpening. Cosmetic damage which occurs over time and use, such as scratches on a products finish or coatings on a product rubbing or wearing off are normal and are not covered by the warranty. Our products rarely fail because of a defect and in most cases the failure or breakage is due to "tool abuse". "Tool abuse", is when the product is used for unsuitable non intended purposes. Examples would be using a knife for any other purpose than cutting (pounding, prying, using as a screwdriver, throwing the knife etc). Multi-purpose tools are not intended to replace full-sized tools and are

for use only on light or moderately heavy-duty applications. Collapsible batons are not pry bars etc. Always use the proper tools for the proper intended purposes.

Locking systems such as liner locks, safeties, frame locks and lock back mechanisms are added features designed to help keep the blade in the open position when fully extended. These systems are not designed to take pressure or blows to the backside (dull) side of the blade and failure of these systems can happen when not used properly. When a cutting tool/knife is used properly the cutting pressure exerted on the knife blade will always be against the cutting edge of the blade pushing and keeping the knife blade open, when used properly it is impossible for the knife to close when cutting.

Misuse of your product can cause serious injury or even death. Misuse often will result in your product failing and breaking in which cases the Taylor Brands warranty will not apply. Failure to properly maintain your product may cause it's mechanisms to not function properly and could also result in injury to you and/or damage to your product.

INTERNATIONAL CUSTOMERS

Please take your item(s) to your local dealer where the product was purchased, ask that they contact Taylor Brands LLC with regard to your defective item and Taylor Brands LLC will include replacement parts or a replacement item on their next shipment of goods to our authorized distributor in your area. If you are unable to find a dealer or distributor in your area we ask that you send your item in for repair/replacement to our facilities following the normal warranty procedure with the exception that the cost of shipping may be adjusted upon receipt of the item in order to cover return shipping to your out of country location.

THE TAYLOR BRANDS LLC LIGHT WARRANTY

There is a 90-day limited warranty on any LED flashlight produced by Taylor Brands LLC. Proof of purchase may be required.

Always make sure the flashlight is turned off when not in use. Accidentally leaving the flashlight on may result in reduced battery life as well as power conductivity. Leaving the flashlight on for extended periods of time may also cause the light to overheat and could possibly result in injury.

Warning/Caution: Cree LED bulbs project very strong/powerful beams of light. Never shine directly, gaze or stare into the flashlight beam to ensure maximum eye protection. Batteries should never be exposed to extreme conditions including fire.

Under normal conditions thermal energy will be generated from the use of the flashlight. Never place or use the flashlight around flammable objects/gases/liquids/etc. Beams and seals on the flashlight should remain unblocked. For the longest possible battery life please remove and store batteries from the flashlight when not in use.

Warning/Caution: In photosensitive epileptic people the strobe function may trigger seizures.

THE TAYLOR BRANDS ACCESSORY WARRANTY

Taylor Brands LLC has a one-year limited warranty on any accessories including but not limited to sheaths, sharpeners, tactical pens and carry and deployment systems. Proof of purchase may be required.

THE TAYLOR BRANDS COLLAPSIBLE BATON WARRANTY

All Taylor Brands LLC expandable batons fall under our Taylor Brands LLC limited lifetime warranty. This warranty covers defects in materials, manufacture or assembly and includes a repair or replacement guarantee, under normal field use, against breaking, bending, torn grip and if rust or corrosion prevents the batons from functioning.

AUTOMATIC KNIVES

Taylor Brands LLC does produce a small range of USA made automatic knives. Any automatic knife returned to Taylor Brands LLC must include an "Automatic Knife Opening Acknowledgement Form" or must be returned through an authorized Taylor Brands Dealer/Distributor. To obtain this form please contact Taylor Brands LLC:

Taylor Brands LLC
1043 Fordtown Rd.
Kingsport TN 37663
800-251-0254
423-247-2406
Fax 423-247-5371
www.taylorbrandsllc.com
info@taylorbrandsllc.com

Please note Taylor Brands LLC produces a range of non automatic cutting tools featuring push button locking mechanisms. These knives are not sold by Taylor Brands LLC in automatic form and conversion of these models into automatic knives voids the Taylor Brands LLC

warranty and will not be accepted for repair purposes.

Any automatic knife sent in to Taylor Brands will not be returned to the sender without the signed "Automatic Knife Opening Acknowledgement Form", NO EXCEPTIONS.

MISSING PARTS

To obtain missing parts such as clips and or screws please contact us 800-251-0254 ext 324.

HOW TO SEND YOUR TAYLOR BRANDS PRODUCT TO US

If you are having a problem with a Taylor Brands LLC product or accessory which you believe is the result of a defect in workmanship or materials per the above warranty statement, here is how to return the item to us:

Step 1: Package the product securely and insure it for your own protection

Step 2: Include a note with a brief description of the problem and how it occurred

Step 3: Include your name, telephone number, address and email address if available

Step 4: Send your product or accessory along with a check or money order for \$6.95 per piece to cover return shipping and handling to the address below:

Taylor Brands LLC
1043 Fordtown Rd.
Kingsport TN 37663
800-251-0254
423-247-2406
Fax 423-247-5371
www.taylorbrandsllc.com
info@taylorbrandsllc.com
Attn: Repair Department

Once received we will determine if there is a defect in the materials, manufacture or assembly of the product. If there is a defect we will repair or replace the product with the same model or one of equal value. Please keep in mind repair is not always practical or possible, if your product has sentimental value we recommend not shipping the item to us.

If the problem with the returned product is determined to be caused by something other than a defect in the materials, manufacture or assembly, our repair department will inform you whether the item can be repaired and if so what the cost of such repair would be. Upon agreement and payment we will repair or replace the item. If your product has been put to hard use for extended periods of time it is always possible that the useful life of the product has been exceeded and we will not be able to repair or replace the item. In such cases we recommend retiring the item and we will return it to you (all costs associated with the return shipment of the product are the responsibility of the customer).

RELEASE, ASSUMPTION OF RISK, WAIVER OF LIABILITY AND INDEMNITY AGREEMENT

By purchasing any item produced by Taylor Brands LLC the buyer assumes responsibility to ascertain and follow all applicable international, federal, state and local laws in owning, carrying, having, shipping, transporting and using any Taylor Brands LLC product. The buyer expressly agrees to indemnify and hold harmless Taylor Brands LLC for all claims resulting directly or indirectly from the ownership, purchase, transportation or use of the item in violation of applicable federal, state and local laws or regulations. Taylor Brands LLC is not liable for misuse of any Taylor Brands LLC product purchased either directly from Taylor Brands LLC or from a dealer/distributor. You must be 18 years of age to purchase Taylor Brands LLC products. Taylor Brands LLC warranty gives you certain legal rights. You may have other rights, which vary in different states and municipalities.
